

August 14, 2019

Our outstanding drum line has been warming up outside my office; band is getting their halftime performance down, and athletes are busy preparing for their season. **All this can only mean one thing**--the start of school is right around the corner!!!!!!!!!!

Mr. Peterson, Mr. Marcinick, Mrs. Mooney, Mr. Berger, Mr. Spadaro and the two Mr. Domzalski's have worked diligently to prepare the building for the start of another school year. Special thanks go out to the summer work crew for an outstanding job this summer. The buildings and grounds have never been in better shape to enter a school year. Also, thanks to Mr. Wallis and Mr. Hartman and their student assistants for all the technology work completed this summer!!!

Please make note that there is a great deal of road construction taking place to start the year. Canal Road has only southbound traffic from East 71st Street to Granger Road. The best alternate route is to take Brecksville Road (Route 21) to East 71st Street or Route 77 to Grant Avenue. Please be patient with bus schedules as we maneuver through the construction.

As we have previously announced, the district is preparing a Capital Improvement Plan. In order to do so, we have surveyed the community, staff and students as to the "needs and wants" of the district moving forward. GPD Architects have been hired to conduct a complete analysis of the district, and their engineers have been hard at work scouring the district and preparing their results. As we move forward with this project, community input is very important. If you desire to be involved in the planning moving forward, please consider joining the BEST Committee, as they will be the primary group working with the plan. We will have additional community meetings moving forward to update the residents on the analysis and plan as it comes together. The first meeting of the BEST Committee will take place on August 29, from 6:00 pm to 8:00 pm in the Bahner-Ray Media Center.

Please take some time to get involved as well and consider joining the PTO, Music Boosters or Athletic Boosters. These groups provide a tremendous amount of support to our students and staff.
