A RETURN TO HYBRID JANUARY 19

Students will be returning to our in-school hybrid schedule beginning Tuesday, January 19th.

As you can imagine, we are really looking forward to having our students back in our schools. While we know remote learning has been necessary during this time, our goal will always be to provide students with as much in-person time with our amazing teachers and staff as possible.

Reminders for the week ahead:

- **Friday, January 15th: No school for students.** Teachers report to participate in a Professional Development Day as we prepare for our return to the hybrid schedule on the 19th.
- **Monday, January 18th:** No school in honor of Dr. Martin Luther King Jr. Day. We encourage you to honor his legacy through a day of service.

Once we return to school on January 19th the Valley View Community Learning site will be closed. Any family continuing to need support while their child is enrolled in remote learning will have access to Cuyahoga Heights Village Hall.

As a reminder, all district COVID safety protocols will continue to be in place. Our staff and students will still socially distance, wear masks, wash hands and continue to follow strict sanitation protocols. We are also in the process of adding additional protocols out of an abundance of caution for the safety of our students, staff and their families. We'll continue to keep you updated as we progress.
