# FAMILY SURVEY

COMPLETE BY  
THURSDAY | JANUARY 19th

Cuyahoga Heights Schools need some data from our families to assist in planning for a return to hybrid learning scheduled for Tuesday, January 19th.

Please note that upon our return on the 19th, we will immediately begin planning for a return to either a 4- or 5-day format as soon as possible.

Click on the red button below to begin the survey. Families will need to complete a survey for each student enrolled in the district. Thank you in advance for completing the survey by end of day, Thursday of this week.
