CDC GUIDELINES FOR FULLY VACCINATED PEOPLE

Fully vaccinated people can:

- Visit with other fully vaccinated people indoors without wearing masks or physical distancing
- Visit with unvaccinated people from a single household who are at low risk for severe COVID-19 disease indoors without wearing masks or physical distancing
- Refrain from quarantine and testing following a known exposure if asymptomatic

For now, fully vaccinated people should continue to:

- Take precautions in public like wearing a well-fitted mask and physical distancing
- Wear masks, practice physical distancing, and adhere to other prevention measures when visiting with unvaccinated people who are at increased risk for severe COVID-19 disease or who have an unvaccinated household member who is at increased risk for severe COVID-19 disease
- Wear masks, maintain physical distance, and practice other prevention measures when visiting with unvaccinated people from multiple households
- Avoid medium- and large-sized in-person gatherings
- Get tested if experiencing COVID-19 symptoms
- Follow guidance issued by individual employers
- Follow CDC and health department travel requirements and recommendations

COFFEE TALK TOMORROW AT 10:00 AM | Please join us for our next Coffee Talk on Saturday, March 20 at 10:00 AM. Assistant Superintendent. Matt Young will be

discussing our Extended Learning Plan that will be submitted to the State which is designed to assist in closing the learning gaps created by the COVID pandemic. Dr. Trangle will also be joining us again to field questions regarding the mitigation measures we have in place to keep our schools safe during the pandemic.
