

DISCOVER YOUR NEW HEIGHTS

CUYAHOGA HEIGHTS SCHOOLS WEEKLY UPDATES

I want to thank our students, staff and families for all you are doing to keep our schools safe. As I have stated from the start, my goal is to have our students in our schools, learning in our classrooms with our excellent teachers. Every time you wear a mask, social distance, wash your hands, and stay home when you feel ill, you help us to meet this goal. From all of us in

Cuyahoga Heights Schools: Thank you!!!

WEEKLY NEWS AND UPDATES

ALADDIN DEBUTS ON TUESDAY

We are pleased to announce that the long-awaited school play *Aladdin* will debut this upcoming Tuesday, November 17 starting at 7:30PM at Cinemark in Valley View.

As you know, we have had to alter our performance plans more than once due to the pandemic, including this week's latest restrictions put in place by the Governor. **As a result,**

Tuesday's premiere will be for cast and crew members only.

Students will need to be at Cinemark no later than 7:15PM, with showtime beginning promptly at 7:30PM. Please plan ahead: refreshments will be available for purchase at the concession stand. Once the premiere is completed we will upload their performance to our [YouTube channel](#) so that the rest of our students, staff, families and community can watch from the comfort of home.

This week 1 staff member and 3 students tested positive for COVID-19. Please note that one of these three students tested positive last week, however the student did not notify us until this week. In addition, 4 staff members and 30 students have been quarantined. Seven of these students self-quarantined as a precaution due to probable exposure, not by directive of the Cuyahoga County Board of Health. The large number of students quarantined were a result of them being within 6' of a COVID-19 positive student for more than 15 minutes.

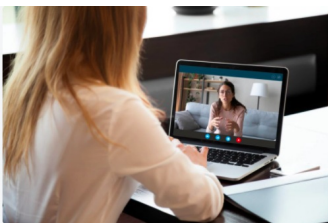

ONE MORE TIME: LET'S HEAR IT FOR DARIEN TILLET -- ALL OHIO!

Darien Tilliet placed 18th in the State Cross Country Meet last Saturday at Fortress Obetz, just south of Columbus. Darien's finish makes him an All-Ohio Cross Country performer. Darien lowered his time by an incredible 1:13 from the previous week, and finished just 3 seconds shy of the school record. Darien's accomplishments will be recognized at Wednesday's Board of Education meeting.

HEY SOPHOMORE'S: IT'S CVCC TIME!!!

If you are a sophomore or parent of a sophomore, it's time to start thinking about what [Cuyahoga Valley Career Center](#) may have to offer for you. With the COVID-19 crisis we will not be able to conduct our regular visitations to CVCC to observe their programs first-hand. However, you can begin the exploration process by checking them out on their [website](#). Mrs. Buccini, CVCC's enrollment coordinator, is also available to answer questions about their programs. Also keep an eye out for their new virtual tours to participate in. We will be sure to keep you updated as more information becomes available.

ELEMENTARY PARENT TEACHER CONFERENCES

This year, fall Elementary Parent Teacher Conferences will take place via Zoom from November 17th through the 19th. If your teacher has not contacted you for a time, please reach out to your child's teacher via email to schedule your child's fall conference.

GOVERNOR MIKE DEWINE'S PRESS CONFERENCE

Ohio Governor Mike DeWine noted in his [statewide press conference this week](#), that much of the current spread of COVID-19 is happening at social gatherings. We urge families to limit their gatherings to their immediate circle of family and to continue to follow the CDC's recommendations for mask wearing, social distancing and hand washing to prevent the spread of this virus. Together, we must do all we can to keep

FIVE-YEAR FORECAST

Twice a year, Ohio school districts are required to complete a 5-year financial forecast to share with their communities. Treasurer, Matt Muccio will be presenting the Cuyahoga Heights Schools financial projections for approval by the Board of Education at next week's meeting on November 18, 2020. A draft of the document can be found through the [Board Docs agenda dated November 4, 2020](#). Previous 5-year forecasts can be found on the [Treasurer's website](#) under the "Documents" section. Once the new forecast is approved it will be added to the website in this area.
