

## DISCOVER YOUR NEW HEIGHTS

### COUNTY BOARD OF HEALTH ISSUES STAY AT HOME ADVISORY

In response to the Cuyahoga County Board of Health's recent "Stay at Home" advisory, the Cuyahoga Heights Schools will return to remote instruction beginning Monday, November 30th and will stay in remote at a minimum through January 19th.

Specific student schedule information will be available from your student's building principal.

We intend for the offsite Learning Centers to be reopened for families of Elementary and Middle School students. Please click on the blue button below to indicate your family's interest in using an offsite Learning Center during this time.

I know this news is disappointing, especially when we've worked so hard to keep our students and teachers in our classrooms together, and our schools and community safe.

As a school district, we will continue to follow the guidance of the Cuyahoga County Board of Health, and look forward to being back together very soon.

We will continue to share updates as they become available. In the meantime, stay healthy, and be well.
